

# LUG@GT

Linux Users Group @ Georgia Tech

## Linux InstallFest

**When: Saturday, April 15<sup>th</sup>, 10:00am to 4:00pm +**

**Where: College of Computing commons picnic tables**

Uh-oh! The IRS wants its money. We can't help you with that, but we can help you install a new operating system. Tired of Microsoft Windows? Just want to see what the alternatives are? Come on down! We'll help you install Linux, and we might even help you with your tax returns. Bring just your computer case to the College of Computing this Saturday, and we'll install any flavor of Linux you want. We'll install Linux on your own terms, and we won't destroy your old operating system if you want to keep it.

Don't know what the heck Linux is, or how many flavors it comes in? Never experienced another operating system? Don't worry. Drop by anyway. If you are at all curious to see what all the Linux hoopla is about, we'll be happy to explain and demonstrate all this silly computer stuff. That's what we're here for. Tech students helping Tech students learn more about Linux. To get in touch, send email to: [lugatgt@gatech.edu](mailto:lugatgt@gatech.edu) Visit our web page at: <http://cyberbuzz.gatech.edu/lug/>

The Operating System with Attitude.
